

**Bonneville Power Administration**  
**Student Educational Employment Program Information Sheet**

The Bonneville Power Administration and the following schools have established an agreement for a planned, progressive education program, providing for the integration of a student's academic studies and Federal work experience. Such experience develops the potential for noncompetitive conversion into the Federal career service. It is consistent with guidance in 5 CFR 213.3202(b), Student Career Experience Program. If you are attending one of the following schools, enrolled in a course of studies related to electrical utilities, and are close to completion you may be eligible.
